Why is it important to you to learn about other cultures?

Learning about other cultures gives me more perspective to think and criticize. I can explore more exciting things I have never thought about before. Also, diversity gives me more creation in life and helps me broaden my horizons.

If you could bring three things from your home country to the US, what would they be?

1. My erhu (ancient Chinese musical instrument)
2. My parents
3. Tons of hot pot sauce

Nominated by members of the Global Engagement Student Advisory Board as outstanding examples of globally engaged members of the Tippie community.

Why did you nominate Mosley?

"I chose Mosley because our friendship has taught me more about her culture (and my own) than a book could ever have."
