Why is it important to you to learn about other cultures?

Learning about other cultures helps me broaden my knowledge and understand different perspectives. It also makes me a better listener, caring and helping others. Sometimes I even get to know myself better while learning different cultural values.

If you could bring three things from your home country to the US, what would they be?

1. Tea - because I’m a heavy tea drinker, and Taiwan produces great Oolong tea!
2. Hot springs - spa time!
3. Convenience stores - 24/7 literally every block!

Nominated by members of the Global Engagement Student Advisory Board as outstanding examples of globally engaged members of the Tippie community.

Why did you nominate Chun-Ting?

“I nominated Chun Ting because she has been a great mentor to me and a wonderful peer on campus. Chun Ting works hard to learn about different perspectives and to maximize her study abroad experience, yet it looks effortless. She has thrived outside of her comfort zone and I really admire her courage, grace, and authenticity.”
