A total of 40 courses have been found.					
INTRODUCTION TO AFRICAN AMERICAN SOCIETY	3 S.H.				
AFAM:1030					
Examination of black social and historical institutions in the United States and the African diaspora; focus on education, sports, political science, religion, health, criminal justice, history, sociology, and other disciplines. Students are encouraged to use critical thinking to examine the impact of historical evolution on social institutions and African American society. Various issues surrounding race, class, gender, and sexuality will be explored specifically as they relate to societal institutions like religion, politics, education, law, sports, and globalization. The class will include visual materials, discussion segments, presentations, and valuable readings. Students are required to complete all readings, assignments, and participate fully in class discussions.					
BLACK TELEVISION CULTURE	3 S.H.				
AFAM:2070 / COMM:2069					
Social and political impact of television dramas featuring people of African descent in the West; examination of product	ction, reception,
