

Betsy McVay

Senior Vice President
Health Catalyst

Betsy McVay is a Senior Vice President at Health Catalyst, a leading provider of data and analytics technology and services. In her role she aligns her experience with her passion for using data and information to improve care quality, efficiency, and experience across healthcare. Her work focuses on partnering with clients world-wide to use data to solve today's health care challenges. She resides in Norwalk, Iowa, with her husband, daughter, and four-legged girl, Wrigley.

Prior to joining Health Catalyst, Ms. McVay served as the first Chief Analytics Officer for UnityPoint Health.

McVay earned a Master of Health Administration and Juris Doctorate from Saint Louis University.
