

Brandon Miller

Partner, Financial Services Advisory
Ernst & Young LLP – Des Moines

Brandon is a Technology Risk Partner in the Advisory practice of EY focusing on servicing financial services sector clients. He leads a team of Risk professionals in the Des Moines, Omaha, and Kansas City markets and has experience in providing Assurance and Advisory services to a broad range of large and middle-market public and privately held clients in primarily the insurance, banking, asset management, and FinTech industries. His responsibilities include overseeing the planning, delivery, and execution of projects related to the evaluation of information technology and business process controls, specializing in integrated financial statement audits, IT and operational internal audits, and system and organization controls (SOC) attestations. He has domestic and international client service experience in various countries and has supported his integrated financial statement audit work through multiple PCAOB inspections.

Brandon also serves as the Campus Coordinating Partner for the University of Iowa leading EY's recruiting efforts.

Brandon is a Certified Public Accountant (CPA) and Certified Information Systems Auditor (CISA) and a member of the American Institute of Certified Public Accountants and Iowa Society of CPAs

Brandon received his Bachelor of Business Administration degree in Accounting and Management Information Systems at the University of Iowa and was the Outstanding Accounting Senior in 2003.
