

## Yvette D. Taylor

Senior Vice President, Wealth Management  
The Northern Trust Company

Yvette Taylor has served as Senior Vice President within the Wealth Management business unit at Northern Trust since 2013. Northern Trust is a leading provider of asset management, fiduciary, and banking service for affluent individuals and families. Evidenced by its higher-than-peer credit ratings and high-quality balance sheet, Northern Trust consistently ranks as one of the strongest global financial institutions. Northern provides comprehensive wealth management services from 60 offices globally.

Most known for her expertise in client service, talent management and process optimization, Taylor's current role is that of National Manager of Northern's Client Support Services Group for Wealth Management. She currently oversees regionally located teams whose processes are focused not only on the support and execution of critical client service requests, but also on the management and control of the associated risk for those activities.

Taylor's management experience with Northern Trust includes assignments as managing director for two of the company's financial centers and the development and management of their only centralized banking practice.

During her 23-year tenure with Northern Trust, Taylor has served as a member of their Wealth Management Fair Lending Committee, Wealth Management Service Excellence Advisory Board, Wealth Management Diversity and Inclusion Committee, and as a voting member of one of Wealth Management's credit committees. She currently co-chairs the Women in Leadership Development Forum, the signature program for Northern's Women in Leadership Business Resource Council. She is also the former board chair of Demoiselle 2 Femme, a non-profit organization focused on providing holistic development solutions for at-risk young women in Chicago.

Before joining Northern Trust in 1999, she held relationship management roles in commercial banking and leveraged finance at the former LaSalle National Bank and American National Bank of Chicago (JP Morgan Chase).

Taylor holds an MBA from the University of Iowa and BBA in finance from Augustana College. She joined the Tippie Advisory board in the fall of 2019.

She and her husband, Richard, live outside of Chicago with their two sons Richard III and Christian.
