

RYAN BUTLER

Vice President

Cottingham & Butler's Risk Management Division
563.210.0305 | rbutler@cottinghambutler.com

Ryan Butler is the Vice President in the Risk Management Division at Cottingham & Butler, and leads the development of specialized verticals within the practice. In 2018, Ryan helped establish the firms' dedicated Food & Ag practice and has helped lead and build a team of professionals with industry-leading expertise in insurance brokerage, safety, loss control, claims and food safety related risks. Prior to joining C&B, Ryan was a reinsurance and Lloyd's of London property underwriter and worked at AmWINS, the world's largest specialty underwriting and brokerage firm. Ryan started his professional career in Shanghai, China in the international real estate sector, and also has expertise in finance and investment.
