Ajdin Nadarevic

Ajdin Nadarevic has been a commercial real estate broker for over seven years. He is a First Vice President and part of the Synergy DSM team with seven members at the Des Moines office of CBRE|Hubbell Commercial. The team has completed more than 300 commercial real estate transactions valuing over $650,000,000 during the past three years.

Ajdin has always been passionate about construction and development. In 2017 he started a boutique development company focused on industrial and flex buildings in the Des Moines metro.

Through the development process Ajdin has learned what it is like to be landlord and understand how the underwriting process occurs. He has also learned what realistic timeframes are for deals, especially the amount of time it takes to get through municipalities. This allows Ajdin to better represent and assist his clients, which has only strengthened their relationships.
