

Lucy Vargo

Senior Analyst,
Global Information Technology
Edelman

Lucy Vargo is a Senior Analyst on Edelman’s Global Information Technology team in Chicago. In her work, she manages large projects and system implementations. Her passion lies in business partnering and change management. Lucy is a Certified Associate in Project Management, CAPM and is certified in PROSCI Change Management.

Lucy joined Edelman to implement their Taleo recruiting system globally, went on to transform collaboration with Microsoft Teams and now implementing Microsoft Dynamics Sales and Marketing. She came from Intel Corporation in Portland, Oregon where she completed a Human Resources Rotational Program and worked as an HR Business Analyst. While at Intel, Lucy had some memorable projects including countless new Taleo releases, the launch of a campus recruiting application integrated to Taleo, a new career advisor development program, working on the Fortune 100 GPTW application and managing a recruitment campaign for software engineers.

Born in Poland, Lucy is a first-generation graduate from the Tippie College of Business with a degree in Management – Human Resources and a Certificate in Critical Cultural Competence. During her time at Iowa, Lucy was a Resident Assistant, President of Tippie Senate and an active member of Alpha Kappa Psi. She currently lives in Naperville, IL with her husband and two children.
