U2G Shared Hours

- Up to 14 semester hours of MSBA coursework could be applied to the undergraduate semester hours needed for your bachelor degree. MSBA courses count as business elective hours.
- If a BAIS student has not taken a major core course by the U2G year, then the equivalent graduate level course should be taken and count toward the undergraduate and graduate degrees. If the BA or IS elective has not been completed, it could be fulfilled by taking an MSC1:6000+ course in the U2G year. Consult your advisor for complete details.

Course waiver: *Waiving a core course does not reduce credit hours required for the degree—the waived course is replaced by an additional elective. To receive a waiver, contact your advisor at least two weeks prior to the start of the semester of the course you are seeking to waive.*

A student may waive BAIS:9100 Data and Decisions if as a Tippie undergrad the student received a grade of B or better in one of the following courses and an A– or better in at least one:

- BAIS/MSCI:2800 Business Analytics or ECON:2800 AND
- Another class that uses Excel and statistics, including MKTG:3100 Marketing Research, ACCT:4100 Auditing, BAIS/MSCI:3500 Data Mining, BAIS/MSCI:3800 Optimization and Simulation Modeling, or ECON:3355 Econ and Business Forecasting. Request approval for additional coursework from advisor.
- **For Tippie Business Analytics U2G students ONLY:** BAIS/MSCI:2800 Business Analytics (minimum grade B) waives BAIS:9100 Data and Decisions.

Tippie Business Analytics undergraduate majors may be able to waive the following:

BAIS/MSCI:3200 Database Management (minimum grade A-) waives BAIS:6050 Data Management & Visual Analytics
 BAIS/MSCI:3250 Data Wrangling (minimum grade A-) waives BAIS:6060 Data Programming in R
 BAIS/MSCI:3500 Data Mining (minimum grade A-) waives BAIS:6070 Data Science

To request that a course not on this list be approved for MSBA credit, contact your advisor at least two weeks prior to the start of the semester; a syllabus will likely be requested for review. **Courses in BOLD are strongly recommended. Note that not all BAIS courses are offered every year. * Elective if not taken as core**
