

## Anne-Marie Thomas

### Corporate Director

Anne-Marie Thomas serves as a director on the boards of The Commonwell Mutual Insurance Group, DUCA Financial Services Credit Union, Habitat for Humanity GTA, and the Ontario Hospital Association Legacy Fund.

Anne-Marie has more than 25 years of capital markets experience in the pension and investment industries, including leadership roles in both the private and public sectors. As chief investment & pension officer at one of Canada's largest defined benefit pensions funds, Anne-Marie led portfolio and business strategy development and renewed pension governance and risk management systems. She also served as an investment consultant to a preeminent Canadian university providing support and advice on pension and endowment portfolio management matters.

She obtained the Chartered Director (C.Dir) and Audit Committee Certified (A.C.C.) designations from The Directors College and ICD.D designation from the Institute of Corporate Directors. She earned the Chartered Financial Analyst (CFA) charter and graduated with an MBA from Ivey Business School and BBA from the University of Iowa Tippie College of Business.

In the community, Anne-Marie enjoys volunteering with and is a proud supporter of Habitat for Humanity locally and abroad as part of Habitat's Global Village Program.
