

## Joni Wallace

Associate Director, Artificial Intelligence  
Collins Aerospace

---

Joni Wallace is the Associate Director of Artificial Intelligence at Collins Aerospace, a Raytheon Technologies subsidiary. She is responsible for strategy and execution of machine learning and artificial intelligence technology services. Joni spent the last decade leading global data and analytics teams and spearheading innovative technology solutions for insight-driven customers.

Prior to joining the aerospace and defense industry, Joni consulted for Accenture, based in Chicago, Illinois, focused on supply chain optimization technology.

She has a BBA in finance from the University of Iowa and an EMBA in analytics from Loras College.
