Department of the Army

## Marion G. Whicker

Executive Director

Integrated Logistics Support Center

US Army Tank-Automotive & Armaments Command

Detroit Arsenal, MI

Ms. Marion G. Whicker was selected to the Senior Executive Service in June 2018, and is currently serving as the Executive Director of the Integrated Logistics Support Center (ILSC), U.S. Army Tank-automotive and Armaments Command. In this position, Ms. Whicker oversees the readiness of the majority of Army maintenance, fielding, new equipment training, supply chain management and system readiness. Ms. Whicker has direct oversight for a major Integrated Materiel Management Center with over 3,200 combined military and civilians. She provides the senior leader logistical support to almost 500 (63% of the Army's) new acquisition programs, as well as the sustainment support for over 10,000 major end items, ensuring operational readiness and support to the majority of the Army's major weapon systems. She provides leadership of a major logistics organization to include Weapon Systems Program Management, Materiel Management, Maintenance, Customer Support/Readiness, Integrated Logistic Support, and logistics support to five Program Executive Offices and associated Program/Project/Product Manager Offices.
